COURT APPOINTED ADVISOR SERVICES - OPDS

1.0 **INTENT:**

The intent of this solicitation is to establish a list of qualified contractors to provide a comprehensive report and, when required, expert testimony, regarding child welfare issues and placement recommendations to judges and commissioners in Family Court. Contractors may be assigned to provide similar services regarding wards in Probate Court. This is a requirements contract. Compensation is predetermined and is not negotiable. Maricopa County reserves the right to make multiple awards.

The County reserves the right to add additional contractors, at the County's sole discretion to satisfy the County's needs.

2.0 **SCOPE OF WORK:**

2.1 **SCOPE OF WORK:**

2.1.1 MINIMUM QUALIFICATIONS

2.1.1.1 To qualify for a Court Appointed Advisor contract with Maricopa County, contractor shall possess:

2.1.1.1.1 A Master's Degree in social services, nursing psychology, education, counseling or other related field; and

2.1.1.1.2 A minimum of five years of experience working with children who are at risk of abuse or neglect.

2.1.2 DEFAULT, SUSPENSION AND TERMINATION

The Contract Administrator or Director of Office of Public Defense Services (OPDS) may suspend, modify or terminate the contract upon contractor's failure to perform, or upon the occurrence of an event that may cause or result in contractor's failure to perform any requirement of the contract. Failure of performance shall include failure by contractor to fulfill the reporting requirements of the contract. Contractor's contract may be terminated due to economic events that may have an adverse effect on the Office of Contract Counsel's budget.

2.1.2.1 The County may terminate the contract as follows:

2.1.2.1.1 No Cause: Upon thirty days written notice to Contractor.

2.1.2.1.2 For Cause: Immediately upon written notice to Contractor.

2.1.2.2 Contractor may terminate this contract upon thirty (30) days written notice to the Maricopa County Procurement Officer and the Contract Administrator or Director of OPDS.

2.1.2.3 Termination of a contract does not terminate contractor's duty to continue providing service on those cases assigned to contractor prior to the effective date of termination. See paragraph 2.1.4.6 below.

2.1.3 NON-EXCLUSIVE STATUS

OPDS may provide or receive the same or similar professional services through persons or firms other than contractor.

2.1.4 RESPONSIBILITIES OF CONTRACTORS

2.1.4.1 General Duties of Court Appointed Advisors – Contractor shall conduct interviews and investigations as are reasonable and necessary to provide a

complete picture of the child/children's situation. The investigation will likely include: a criminal background check for parents and any other pertinent people who have contact with the child/children; interviews and home visits with all of the potential care givers; examination of school and medical records; contact with state agencies and caseworkers if applicable; and interviews with therapists, drug counselors; family and relatives, as well as attorneys for the other involved parties. Contractor shall provide thorough and timely reports as directed by the Court that will include a summary of the investigation, a statement of observations, and recommendations of the Contractor. The report will be submitted to the Court within the time designated by the Court.

- 2.1.4.2 Assignment of Cases - Contract does not guarantee any minimum assignment of cases or any minimum compensation.

In the event a contractor becomes unable to complete an assignment and is allowed to withdraw from an appointment, contractor shall immediately report the circumstances of the withdrawal to OPDS so that a replacement contractor can be appointed if necessary.

- 2.1.4.3 Accept Assignments - Contractor shall accept all assignments made by the Contract Administrator or Director of OPDS unless Contractor is not ethically permitted to accept the assignment. Contractor shall not accept more assignments than Contractor can effectively handle.

- 2.1.4.4 Reappointment - In the event that contractor is reappointed to the same case or client within one year of being relieved, the reappointment shall be considered a continuation of the original appointment and no additional compensation shall be paid.

- 2.1.4.5 Replacement Representation - In the event Contractor becomes unable to complete an assignment and is removed from a case for any reason, Contractor immediately shall report the circumstances to OPDS so that OPDS may appoint a replacement. OPDS may require Contractor to return payment for the assignment.

- 2.1.4.6 Continuing Representation - Contractor has a continuing duty to provide service to Clients until the court has terminated the representation. Termination of a contract(s) by either Maricopa County or the Contractor does not terminate Contractor's duty to provide services in those cases assigned prior to the effective date of termination.

- 2.1.4.7 Removal for Failure of Performance - In the event a Court removes Contractor from representation due to any failure of performance relating to the representation, Contractor may, at the discretion of the Contract Administrator or Director of OPDS, be required to reimburse the County for any payment made to Contractor relating to the representation and provide a written explanation of the failure of performance.

- 2.1.4.8 No Additional Compensation - Contractor may not solicit or accept private or additional compensation of any kind from any source including fees, costs or any other form of present or future compensation, in any matter that relates to or arises out of a pending assignment or representation. Payment authorized by Court order is not prohibited by this section.

- 2.1.4.9 Records and Reports - Contractor shall create and keep detailed and accurate time sheets and case logs during the course of the assignment. Contractor will periodically report, on a timely basis, data and statistics to the Contract Administrator or Director of OPDS in the manner prescribed by OPDS. Failure to submit time sheets, case logs, and final disposition records in the time and

manner specified by OPDS may result in withholding compensation until the contractor is in compliance and may result in termination of the contract at the sole discretion of the Contract Administrator or Director of OPDS. Contractor shall make available for inspection and copying by the County all records and accounts relating to the work performed pursuant to the Contract except any document that is privileged. Contractor shall safeguard confidential and privileged information in accordance with all applicable laws, rules, standards and regulations. Storage of records and any associated fees are the responsibility of the contractor.

2.1.4.10 Substitute Performance - This is a personal services contract between Contractor and the County. Contractor may substitute performance only with prior consent of the Contract Administrator or Director of OPDS. Notwithstanding the foregoing, Contractor shall remain primarily responsible for the performance of the Contract.

2.1.4.11 Requests for Expenditures - Contractor may not incur any expense for the account of the County without prior written approval of OPDS. Failure to obtain prior approval may result in Maricopa County declining to pay for the expenditure. A copy of the County's approval must be given to the approved vendors for their billing purposes prior to the commencement of their work. If an approved vendor exceeds the OPDS-approved amount for the expenditure, OPDS is not obligated to pay any such overage. When billing for reimbursement, receipts for all expenses must be attached. OPDS will not reimburse Contractor for the cost of business overhead including: office supplies, secretarial or other staff services, long-distance telephone calls or any other type of expense that involves the general cost of doing business unless approved in advance by the Contract Administrator or Director of OPDS as an extraordinary expense.

2.1.4.12 Appointment of Interpreters - Interpreters from the Office of Court Interpreter will be used for non-English-speaking Clients as necessary for all court proceedings and out-of-court matters when possible.

2.1.4.13 Requests for Court Orders - Any request made of any Court for an order directing any action or payment by OPDS or Maricopa County must be served upon the Contract Administrator or Director of OPDS in compliance with the Rules of Civil Procedure regarding notice.

2.1.4.14 Compliance with Law - Contractor shall comply with all laws, including rules and regulations, of all governmental and non-governmental accrediting and regulatory authorities, including the State of Arizona and any related licensing and administrative bodies. In the event that a license or privilege held by Contractor is denied, suspended or not renewed by any licensing or administrative authority, on an interim or other basis, Contractor must notify OPDS immediately. Failure to give such notice may result in termination of Contractor's contract.

2.1.4.15 Technological Equipment - Contractor shall possess the following:

2.1.4.15.1 Desktop or laptop computer;

2.1.4.15.2 Microsoft Word, Excel and Adobe Reader; and other software as might be needed to allow Contractor to conduct business electronically with OPDS;

2.1.4.15.3 E-mail address; and

2.1.4.15.4 Pager and/or cell phone.

2.1.5 INDEPENDENT CONTRACTOR

2.1.5.1 Contractor's relationship to the County shall be as an independent contractor and not as an employee.

2.1.5.2 This contract does not constitute, create, give rise to or otherwise recognize a joint venture, partnership, agency or employment relationship. The rights and obligations of the Parties shall be only those expressly set forth in the contract.

2.1.5.3 No Contractor or person supplied by a Contractor in the performance of obligations under the contract shall be considered to be County employees, and no rights of County civil service, retirement or personnel rules accrue for the benefit of such persons. Contractor shall have complete responsibility for all salaries, wages, bonuses, retirement withholdings, worker's compensation, other employee benefits and all taxes and premiums relating to such persons, and shall save and hold the County harmless with respect to those obligations in the event of a claim for one or more of them is brought against Maricopa County.

2.1.6 OFFSET FOR DAMAGES;

In addition to all other remedies at Law or Equity, the County may offset from any money due to the Contractor any amounts Contractor owes to the County for damages resulting from breach or deficiencies in performance of the contract.

2.1.7 RIGHTS IN DATA

The County shall have the use of data and reports resulting from the contract without cost or other restriction. The County shall have complete discretion to create or prepare reports or compilations of data relating to the contract. The data and reports or compilations of data are public records under Arizona law.

2.1.8 AMENDMENTS

All amendments to the Contract must be in writing, signed by both parties, and approved by Maricopa County Office of Procurement Services. In the event Contractor becomes temporarily unable to perform the contract, the Contract Administrator or Director of OPDS and Contractor shall make reasonable efforts to temporarily suspend the contract.

2.1.9 STRICT COMPLIANCE

Acceptance by County (OPDS or Court) of a performance that is not in strict compliance with the terms of the Contract shall not be deemed to be a waiver of strict compliance with respect to all other terms of the Contract.

2.1.10 LAWS, RULES AND REGULATIONS
